Module 4: Additional Features ____ 5

# Course Details

This eLearning course will discuss the application of units of measure and retail in Dynamics AX. After this course, students will understand the definition of a unit of measure, how they are used in retail, and how to create and manage units of measure in AX.

## AUDIENCE

The intended audience includes partners and customers who want to learn the basic features and develop a working knowledge of the typical daily procedures required to use Microsoft Dynamics AX Retail functionality.

It is targeted for corporate and IT personnel that are responsible for the setup and administration of the Retail Application Functionality.

## REGISTRATION AND PAYMENT

You can register for a course online at academy.rsmsus.com by browsing the catalog and selecting courses to add to your cart. You can also email your request to academy@rsmus.com.

Payment must be received and verified before you can gain access to the course content. When purchasing through our website, all payments are made through PayPal. You can use an existing PayPal account to pay with your credit card or other method of payment configured in your PayPal account. If you do not have a PayPal account you can use the guest check out feature to use your credit card to pay. If you prefer to pay by using another method of payment, please contact us at academy@rsmus.com to make arrangements. We cannot guarantee all methods of payment will be accepted but we will try to accommodate your requests.

## REFUND POLICY

Once an eLearning course has been purchased, no refunds will be provided. If you have any questions about this policy, you may contact us at by clicking the Support button on our site or email us at academy@rsmus.com. Formal complaints or errors found in the content should be reported in writing to academy@rsmus.com. Complaints will be reviewed to determine what action needs to be taken.

# Prerequisites

## PARTICIPANT REQUIREMENTS

Students attending this section of the course should have a basic understanding of:

- General knowledge of Microsoft® Windows®
- General knowledge of basic navigation within Dynamics AX
- General understanding of basic accounting

## TECHNOLOGY REQUIREMENTS

- The site has been optimized for Internet Explorer. Although other browsers may work, it is recommended that you use Internet Explorer for the best experience.

**Deleted:** CONTINUING PROFESSIONAL EDUCATION ¶
In accordance with the standards of the National Registry (NASBA) of CPE Sponsors, CPE credits have been granted on a 50-minutes hour. Sponsor ID 107766, 801 Nicollet Mall, 11th Floor West Tower, Minneapolis, MN 55402

CPE credits: 1.0
Field of Study: Computer Science
Delivery method: Self-study program¶
Program Level: Beginner ¶
¶
Participants are presented with an evaluation at the completion of the course including a total of 4 multiple choice and multiple answer questions. To achieve a passing score you must answer 70% of the questions correctly. ¶
¶
A certification of completion and CPE credits are only granted when the evaluation is passed and the course survey is completed. The certification and transcript can be downloaded from the RSM Technology Academy Portal upon successful completion of the course. ¶
¶
If for some reason you don't receive a certificate or have special circumstances (multiple participants, physical certificates, etc.), feel free to contact us at academy@rsmus.com. ¶
¶

- Silverlight must be installed in order to use the practices.
- A screen resolution with a minimum of 1024x768 is recommended. You can use full screen icons within the eLearning to maximize your view. A smaller resolution may result in content being cut off from your screen.
